

**Missouri School Boards' Association
Credit Verification Form for Board Book Study**

One CBM strand credit will be awarded for participation in your board book study and completion of this reflection form. The credit may be applied to the reading and strand credit requirements for Advanced, Master or Distinguished Board Member Certification.

Name: _____ District: _____

Title of book:

Author:

Publication Date:

Describe three key points you learned from the book that relate to your school board leadership:

1.

2.

3.

What are key issues for your district that arose from the board's discussion of the book?

As a result of the discussion, is the board taking any action or making any changes?

Describe your board's book study process.

Who participated in the study?

How was the book selected?

How many discussion sessions did you have?

What was the length of each session?

Who led the discussions?

Describe what occurred during the discussions:

Please rate the usefulness of the MSBA Book Study Guide.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
The Book Study Format Example was helpful.					
We established norms based on the suggestions.					
The Active Reading Strategies helped me prepare for discussions.					
The Suggestions for Developing Book Study Questions were helpful.					

What suggestions do you have for how MSBA can support the board book study process?

Would your board be willing to share how you conducted your book study with other boards?
